# City & Mobility in Transition Urbanity in the Making

How can we envision, in Europe and in China, the transition to low-carbon, resilient and living systems, without giving up the urban, landscape and architectural qualities of our living spaces?

December 9th, 2022  
- May 9th, 2023

<https://mdmp-chair.strasbourg.archi.fr>

*A look back at 10 years of discoveries and exchanges in the field of architecture, urban planning and design, through the work of students, doctoral candidates, and the teaching, scientific and administrative teams from ENSAS & CAUP Tongji.*

## A sino-french perspective

**VIRTUAL EXHIBITION** | 10 years of partnership  
CAUP Tongji University ≈ ENSA Strasbourg

城市与移动性

CAUP TONGJI UNIVERSITY
